1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a customer with Dominion Energy over 30 years. When the energy company was under SCE&G, it has a program setup for seniors on fixed income where we only pay \$60.00 a month. As times grow on, I understand the amount increase to a finally total \$168.00. However, I am a widow and trying to live on basically same income with additional grandchildren that I am help rising.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

When Dominion Energy took over SCE&G, I understand that this electric company would provide us with safe, clean, and affordable energy to us as clients. That Dominion Energy would continue to provide the same service to the seniors as SCE&G and SCANA did for over 30 years. When the energy company was under SCE&G, it has a program setup for seniors on fixed income where we can afford to pay our electric bill without the worries of the crisis now that we have to face day to day. We now can't travel to the groceries store without fear of catch the COVID19 virus and getting down sick. The high costs of medical expenses and prices on food that went up since this virus came upon the land. The extra expense costs in buying masks and other equipments to protect ourselves from these deadly diseases that can kill us or can kill our love ones. Shame on you, Dominion Energy wanted to add to our problems.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No, I wish not to make an appearance because there are enough people of South Carolina who share and can represent the same trials and tribulations that I am facing with this increase of electric bill.
